Snow Removal from Sidewalks

All sidewalks must be cleared of snow within 24 hours of snowfall ending. Snow **may not** be put into the street.

Snow Blowing or Shoveling Snow back into the road is not legal - Per Wisconsin State Statute 346.94 (5) PLACING INJURIOUS SUBSTANCE ON HIGHWAY. No person shall place or cause to be placed upon a highway any foreign substance which is or may be injurious to any vehicle or part thereof.

*We ask that you be considerate and not place snow back into the road when cleaning your sidewalks/driveways. This causes a financial burden and can cause accidents with injuries.
Thank you for your help.*

Brooklyn Village Board Meeting Minutes December 9, 2019

The December 9, 2019, Village Board meeting of the Village of Brooklyn was called to order at 6:30 p.m. at the Brooklyn Village Hall by President Brit Springer. Trustees present were Pat Hawkey, Sue McCallum, Dan Olson, Kyle Smith and Todd Klahn. Trustee Heather Kirkpatrick was absent. Also present were Ari Bloom, Andy Meyer, Chief Wade Engelhart and Clerk-Treasurer Linda Kuhlman. All present stood for the Pledge of Allegiance. No public comments.

Alcohol license for Main Street Music and More - Meyer stated music played will be everything but rap. It will be smaller music acts like bluegrass, country, Americana, a little heavy metal once in awhile. Hawkey is concerned about the volume. Meyer said he has soundproof foam over the windows. The hours are planned to be Thursday through Sunday from 4-11 p.m. and music will stop at 10 p.m. If it goes well, he will start opening more during the day. He's trying to have live music once a week. It wouldn't be non-stop rock and roll thumping music. If he has bigger acts, it would be out at his barn or maybe once a month here in the Village. Meyer explained he has 20 parking spots available right now. He has new signs ordered. He passed out photos of the building and his plans. The building has a capacity of 49 people, and it's been inspected by the state. He will have a small kitchen but will be serving prepackaged food. If business expands, he might do a small kitchen. He plans to put up a fence up along the west side property in the spring to block the building from the neighbor's yards. Meyer asked if he can do an outdoor seating area if he puts a fence railing there, so people can go outside and sit. Kuhlman explained he would have to amend the license to include the outside area. Chief Engelhart explained that as long as it's on his property and the license includes that area and there's a barrier to village property, it's fine to have outdoor seating. Meyer said he will revisit that in the future if he needs to amend. Smith asked if it is zoned properly for this kind of business. Kuhlman stated yes. Meyer stated he doesn't want a tavern, just music and have something for them to drink. If it goes good, he will open maybe earlier for lunch. He wants to bring more people to town. **Smith made a motion to approve the Class "B" fermented malt beverage and "Class C" wine license for the new Main Street Music and More, LLC.** Klahn seconded. Motion carried. Meyer asked about renting the community building every once in awhile to have a concert and sell tickets. Kuhlman stated if he plans to have alcohol at the concert, he can't sell it. Board said he will have to follow the policies.

Hawkey made a motion to approve minutes of November 25. Klahn seconded. Motion carried. McCallum abstained.

President's report – There were two recent events: Chamber's Santa Day and the Recreation Committee tree lighting. Both were successful. Weather was nice.

Safety report – November had a total of 88 calls, 98 calls with traffic, and with Green and Dane there were 106. Green County took 11 calls and Dane County took 7. 7 open records, assisted Dane County with 4 accidents, assisted Green County with an accident at 92 and Glenway, assisted Jefferson County regarding a pursuit where the suspect was in the village, assisted Verona PD on a theft. 0 parking violations or complaints. 43 traffic, 3 citations issued and 7 written warnings. Sent a battery case to Green County DA. Call regarding a possible ordinance violation of a smell of smoke from a residence where a permit was issued in 1996, but it was regular wood being burned so no citation. Chief asked and Spilde stated those permits do not need to be renewed as long as nothing has changed. Officer Burns attended Intoximeter recertification on November 1. The investigation is continuing regarding the criminal damage of property. Smith thanked Officer Burns for attending Saturday's tree lighting and handing out bags to the kids. It was nice to see the officer there and interacting with the public. It's good community policing. Chief stated he also brought some bags over to the clerk's office to hand out to the kids.

Labor Day After Action report – Chief stated he sent the report to the board last month. Hawkey thanked him for typing up a report so we have a history to go back through. Smith stated in the future Public Works should do a report as well. Chief keeps track of parking and talks to Spilde about the results afterwards. Smith stated the same things come through every year, so it would be good to have a history to look at every year. Files are kept in clerk's office and PD with reports from the years. Hawkey asked if the Chief meets with the clubs before and after the event, and Chief Engelhart stated he tries to meet with them. Chief went through the After Action Report. Clubs deleted a few parking spots and will maybe delete a few more to alleviate congestion. Clubs added people to assist with parking. He would suggest adding time on for people to assist later in the day. Parking lines were throughout the park, and they're trying not to have two-way traffic. They are extending no parking areas by the intersection coming onto Main Street to assist the semis getting out. Two security guards work well. He heard complaints that said there was overstaffing, but security guards are not law enforcement. Brooklyn PD had two officers on duty and another one came on to relieve one, so there was some confusion. It was addressed the next night. He was able to utilize department staff and didn't need outside help. Club volunteers wore bright shirts. It's nice, but when volunteers aren't working they're still wearing the shirts, so there is sometimes confusion. He suggested if volunteers are not working, take the shirt off and put a different shirt on. Saturday morning there was an incident with clubs and an event participant, but the Chief mediated the situation and it was resolved. Had some problems with parking signs being removed or people were directed by volunteers to park in no parking zones. There were several citations issued, but all have been addressed, and they had nobody that argued the dispositions. Clubs asked how to enforce parking signs that don't say "by the order of the police", and he's discussing it with PW to work out a solution. Hawkey suggested stickering the current signs instead of getting new ones. The Clubs want to work with PD. There was some miscommunication of who secures the park at the end of the night, but they will discuss that for next year.

Springer convened the Public Hearing at 7:15 p.m. to take comments regarding ordinance changes to Chapters 113, 114, 117 Sections 117-930 to 936 and Section 117-1052, and Appendix C. No public was present for comments and no written comments were received. **Springer closed the public hearing at 7:16 p.m.**

Springer read Resolution 2019-13 into the record. It's a resolution to carry over funds in the brush grinding account to 2020 budget from the 2019 budget. They haven't used it this year and it's too wet to do so before the end of the year. **Smith made a motion to approve Resolution 2019-13.** Olson seconded. Motion carried.

Klahn made a motion to approve Vicki Olson, Meagan Hamlette, Zach Leavy, Helen McCord, Pat Hawkey, Sandy Glasier, Jan Michaelis, Alicia Vaughn and Sandy Wagner as election board for the 2020-2021 term. Smith seconded. Motion carried. Hawkey and Olson abstained.

Smith made a motion to approve Spilde, Engelhart and Hollis to carry over 40 hours of vacation to 2020 and Golz to carry over his excess under 40 hours to 2020. Olson seconded. Motion carried unanimously.

Smith made a motion to approve Village Ordinance Chapter 1, Section 1-12, Clerk to maintain copies of documents incorporated by reference. Olson seconded. Motion carried unanimously.

Smith made a motion to approve Village Ordinance Chapter 2, 2-567, Emergency Management Committee. Olson seconded. Motion carried unanimously.

Smith made a motion to approve Village Ordinance Chapter 113, Shoreland-Wetland Zoning. Olson seconded. Motion carried unanimously.

Smith made a motion to approve Village Ordinance Chapter 114, Shoreland Zoning. Klahn seconded. Motion carried unanimously.

McCallum stated the village attorney and village administrator, Rob Roth, weighed in regarding the language in Village Ordinance Chapter 117, Sections 117-930 through 117-936 regarding nonconforming uses, structures and lots. The clerk's office will keep a list of nonconforming uses, structures and lots. Hawkey is concerned that someone who buys a nonconforming lot/structure will not be able to do anything or will have to pay for a variance hearing. McCallum said they worded it so people will have options, but they might need to come to the PZ. Continued discussion on the ordinance. **McCallum made a motion to approve Village Ordinance Chapter 117, Sections 117-930 through 117-936.** Olson seconded. Ayes – McCallum, Olson and Springer. Hawkey opposed. Smith and Klahn abstained. Motion carried.

McCallum stated PZ reviewed the Parking Requirements Ordinance Chapter 117-1062 with the zoning administrator. Discussion included the following items: Defining what is covered under the ordinance; is it new businesses or alterations to an existing business. Clarify rules for on-site parking space requirements and whether on-street parking can be counted toward the required number of spaces. Why parking on lawns in residential areas is not permitted. If driveway is required to be five feet from the lot line, a lot of current driveways are nonconforming, so what happens if they want to change their driveway. **McCallum made a motion to approve Village Ordinance Chapter 117, Section 117-1052 Parking Requirements.** Motion failed for lack of a second. Springer suggested sending it back to Planning & Zoning.

McCallum made a motion to approve Village Ordinance Appendix C, Village of Brooklyn Fees. Olson seconded. Smith asked if these include the sewer rate changes. Kuhlman said yes. Motion carried unanimously.

Springer and Olson reviewed bills. **Springer made a motion to approve the bills as presented.** Olson seconded. Motion carried.

Clerk's report – Kuhlman handed out the **financials for month ending November 30, 2019.** There were total deposits of \$327,216.08 in November. \$126,658.38 was the final shared revenue payment from the state and \$87,259.70 was for CWF loan proceeds, draw No. 4. There were total withdrawals of \$223,619.65. This included payment No. 3 to Joe Daniels construction company for work on the treatment plant upgrades. It also included \$35,881.05 for debt service payments. There was a **total in all accounts at the end of November of \$1,426,160.49.** Kuhlman explained that the Green County Development Corporation would like municipalities to send a letter of support for the broadband expansion grants that they are applying for. These grants will help Bug Tussel and Litewire expand their services in Green County rural areas. **Hawkey made a motion to write a letter of support to GCDC for the broadband expansion grants.** Olson seconded. Motion carried. **The League of Wisconsin Municipalities published a new pamphlet called So You Want to be an Elected Official.** The clerk's office has handed it out to candidates as they pick up papers. The clerk and deputy clerk attended the **Wisconsin Government Finance Officers Association conference** in December. Topics included governmental accounting, which was a good refresher on the accounting setup for governments versus regular companies; updates on OPEB; new legislative bills passing, not passing and being introduced; a review of levy limit worksheets and PSC reporting; and also discussions on the changes to the GASB, Governmental Accounting Standards Board, changes occurring in the next year.

Oregon Area Council on Aging – McCallum attended the meeting on November 20. She handed out the agenda and supporting documents. Their next meeting is January 15. They were recently reaccredited. Discussion regarding the Oregon High School student award, which is not a scholarship. The number of people applying is decreasing and they discussed how to find more applicants. They will be having an Open House in May 2020 for their 40th anniversary. They received approval in the budget for full-time administrative assistant to start in May.

Recreation Committee – Hawkey stated the tree lighting was this past Saturday. The lighting decorating contest continues until December 20. Get Fit classes continue, but some may change in January. They are trying to schedule a self-defense class, so more information will be coming on that.

Planning & Zoning Commission – Besides cleaning up the language on the ordinances previously discussed, the Commission started addressing accessory buildings and little free libraries.

Smith made a motion at 8:12 p.m. to adjourn. Klahn seconded. Motion carried.

## **Brooklyn Village Board Meeting Minutes December 16, 2019**

The December 16, 2019, Village Board meeting of the Village of Brooklyn was called to order at 6:15 p.m. at the Brooklyn Village Hall by President Brit Springer. Trustees present were Pat Hawkey, Sue McCallum, Dan Olson, and Kyle Smith. Trustees Todd Klahn and Heather Kirkpatrick were absent. Also present was Clerk-Treasurer Linda Kuhlman. All present stood for the Pledge of Allegiance. No public comments.

**Hawkey made a motion to approve Disbursement No. 5 for the treatment plant construction in the amount of \$156,002.75.** Olson seconded. Motion carried.

Springer stated she and Olson reviewed the bills. **McCallum made a motion to approve the bills as presented.** Smith seconded. Motion carried.

Smith explained that Public Works needs to replace two computers due to Windows 7 no longer being supported. It would have been done in 2020, however, one of the computers stopped working last week. It will come out of the 2019 budget.

**Hawkey made a motion to approve the purchase of two laptops and docking stations in the amount of \$2,700.80 to be paid from the 2019 budgets of general, sewer and water.** Olson seconded. Motion carried.

**Springer made a motion to adjourn at 6:18 p.m.** Smith seconded. Motion carried.

# The 2020 Census and Confidentiality

*Your responses to the 2020 Census are safe, secure, and protected by federal law. Your answers can only be used to produce statistics—they cannot be used against you in any way. By law, all responses to U.S. Census Bureau household and business surveys are kept completely confidential.*

## Respond to the 2020 Census to shape the future.

Responding to the census helps communities get the funding they need and helps businesses make data-driven decisions that grow the economy. Census data impact our daily lives, informing important decisions about funding for services and infrastructure in your community, including health care, senior centers, jobs, political representation, roads, schools, and businesses. More than \$675 billion in federal funding flows back to states and local communities each year based on census data.

## Your census responses are safe and secure.

The Census Bureau is required by law to protect any personal information we collect and keep it strictly confidential. The Census Bureau can only use your answers to produce statistics. In fact, every Census Bureau employee takes an oath to protect your personal information for life. Your answers cannot be used for law enforcement purposes or to determine your personal eligibility for government benefits.

## By law, your responses cannot be used against you.

By law, your census responses cannot be used against you by any government agency or court in any way—not by the Federal Bureau of Investigation (FBI), not by the Central Intelligence Agency (CIA), not by the Department of Homeland Security (DHS), and not by U.S. Immigration and Customs Enforcement (ICE). The law requires the Census Bureau to keep your information confidential and use your responses only to produce statistics.

## The law is clear—no personal information can be shared.

Under Title 13 of the U.S. Code, the Census Bureau cannot release any identifiable information about individuals, households, or businesses, even to law enforcement agencies.

The law states that the information collected may only be used for statistical purposes and no other purpose.

To support historical research, Title 44 of the U.S. Code allows the National Archives and Records Administration to release census records only after 72 years.

All Census Bureau staff take a lifetime oath to protect your personal information, and any violation comes with a penalty of up to \$250,000 and/or up to 5 years in prison.

# January 2020 News from Your Senior Center

By Rachel Brickner

The second half of January is full of interesting special events at the Senior Center. Please come join us for one of the following **free** events.

On January 22 at 10:45 retired Oregon High School teacher and world-traveler Lou Kindschi will be at the Center, talking about her adventures in Asia. Her presentation will emphasize cultural differences in how older adults are treated. Lou is a very engaging speaker, and we expect her presentation to be very thought-provoking.

On January 24 at 10:45, we will be hosting "Gateway: Coming to America" a program with Philip Martin. This is a one-man show in which actor/educator Philip Martin plays the role of a Swiss immigrant to the United States. He shares his story and those of other immigrants he meets along the way. Touching and humorous, Phil demonstrates his skill at storytelling, weaving all the immigrants' stories together in a moving tribute to some of the people who made this great country.

On Friday, January 31 at 9:30, a group will be leaving the Senior Center on a Transit Solutions van to travel to the State Capitol for a guided tour. The group will depart the Capitol again at 11:30. Space is limited, so please call the Center at 835-5801 to reserve your seat on the van! (Please note that while the tour is free, there is a suggested donation of \$3.00 for the cost of the transportation.)

One event we are hosting in January that is not free is our annual **Pancake Breakfast and Bake Sale**. That fund-raiser will take place on Sunday, January 26 from 7:00 am to noon. We will be serving pancakes, sausages, scrambled eggs, applesauce and a

beverage for \$6.00 for adults and \$3.00 for children age 10 and under.

Once again the talented chefs from the **Oregon/Brooklyn VFW Post 10272** will be cooking, and we will have home-baked goods for sale, made by our marvelous volunteers. For more information about the Breakfast and Bake Sale, please call 835-5801.

## January Law of the Month

### Are drivers on highways required to make room for merging vehicles?

While merging from a ramp onto a multiple-lane highway, it certainly helps when drivers on the main freeway move over a lane so you can get into the flow of traffic more easily. But, are drivers on the main freeway required by law to change lanes and provide a clear path for merging vehicles?

“As a matter of courtesy and safety, we encourage drivers on multiple lane highways to change lanes if possible or adjust their speed so that merging vehicles can get into the traffic flow quickly. However, drivers merging from a ramp onto a highway should be aware that vehicles on the main freeway are not legally required to move over for merging vehicles.”

Here are a few suggestions for merging onto highways smoothly:

- Enter the freeway from the ramp at or near the speed of freeway traffic.
- Use your turn signals.
- Do not stop while merging unless absolutely necessary.
- Don't try to squeeze into a gap in traffic that won't provide room to react.
- If you have to cross several lanes of traffic, cross them one at a time.

Merging onto a highway can be stressful when traffic is heavy and moving rapidly. Drivers trying to merge should pay strict attention to the traffic flow and be prepared to adjust their speed. But don't expect that the drivers on the main freeway will necessarily move over for a merging vehicle.

We are also able to honor a library card from anywhere in Wisconsin with special processing. You can apply for your library card while visiting the Bookmobile or print, complete and bring in [your application](#) today.

Requests for materials not available on the Bookmobile may be made through [LINKcat](#) or by calling the Bookmobile office at (608) 266-9297 weekdays, 8am-4:30pm.

### **Is the Bookmobile accessible to people with physical disabilities?**

The Bookmobile does not have a ramp or lift and requires a few stairs to board. While everyone may not be able to board the Bookmobile, our librarians are able to provide all patrons with access to Bookmobile services. We are happy to meet you at the Bookmobile door or ground-level at any of our stops. If you have any questions, please call us at (608) 266-9297.

### **The best way to use the Bookmobile:**

Come browse the Bookmobile and see what you find! -or-

1. Search [LINKcat](#) to find what you want;
2. Place holds on titles that interest you;
3. Pick them up at your stop - come on the bus or we will bring them off the bus to you!

## **Become a FRIEND today!**

Brooklyn volunteer firefighters & EMT's answer our 911 calls when we are injured, when our kids have trouble breathing and when our house, car or back 40 catches fire. They train new volunteers, maintain the fire trucks and ambulance ensure supplies are adequate and perform countless recording requirements. Although they receive some compensation, it is a tiny fraction of the value of their work.

Friends was formed because we believe the community should support these volunteers by helping with non-emergency activities, raising funds for equipment purchases, and organizing a "Rescue Kids" youth program.

Friends has numerous way you can help out: drop your Bill's Food Receipts off in the designated box outside the Brooklyn Fire/EMS Building, serve food, beverages or bus tables at the card party, pancake breakfast, or the appreciation dinner. We also are looking for other help with finding and writing grants, stuffing envelopes or supplying a monthly meal for our firefighters or EMT's.

A few hours of your time will make a big difference.
